

	<h2>Who can catch Coronavirus?</h2>
	<p>Anybody can catch Coronavirus</p>
	<p>Most people with Coronavirus only feel a bit poorly</p>
	<p>People might take medicine like paracetamol This helps them to feel better</p>
	<p>Most people can feel poorly for about a week, then they slowly start to feel much better</p>
	<p>Some people can get very poorly They might need to go to hospital to help them get better</p>
